ICED COFFEE

We never pour hot or cooled coffee over ice cubes and call that good. We cold brew our Guatemalan coffee over a minimum of 12 hours. It is the best in town!

Espresso Drinks HOT OR COLD

Espresso Drinks start with the world's best coffee beans blended and roasted to bring out a rich, smooth, flavorful coffee concentrate. That's Scooter's World-Class Espresso!

CARAMELICIOUS

Our signature drink may be the best caramel espresso drink in the world. Start with Scooter's World-Class Espresso, add rich, velvety caramel sauce, hot, texturized milk, homemade caramel, "real" whipped cream, then drizzle with caramel.

CAFE MOCHA

Scooter's World-Class Espresso, added to hot, rich, decadent chocolate and texturized milk. Sensory over-load.

WHITE MOCHA

Scooter's World-Class Espresso added to rich, buttery white chocolate and texturized milk. Our white mocha gives new meaning to "smooth."

TURTLE LATTE

Imagine Scooter's World-Class Espresso combined with a bit of our decadent chocolate, our velvety smooth caramel, a touch of real hazelnut, all mixed into hot texturized milk. You may have found a new favorite.

CANDY BAR LATTE

Make your favorite candy bar into a Scooter's flavored latte. Snickers™, Almond Joy™, Milky Way™, Heath™, Mounds™, Kit Kat™ and Twix™.

CAFE LATTE

Scooter's World-Class Espresso added to hot, texturized milk with a touch of frothy milk on top.

CAPPUCCINO

Scooter's World-Class Espresso topped with lots of hot milk froth. Order it "dry" (2/3 froth) or "wet" (1/3 froth, add a bit of texturized milk).

FLAVORED CAFE LATTE OR CAPPUCCINO

Add your favorite flavor, or a combination of flavors. Choose from: Vanilla*, Caramel*, Hazelnut*, Almond, Cinnamon, Butterscotch, Coconut, Irish Cream, Peppermint, Raspberry or Toffee Nut.

SCOOTER SHOOTER

Coffee with a kick. Choose any of our fresh-brewed coffees and add a shot of Scooter's World-Class Espresso. Smooth and delicious with a little extra oomph for the day.

AMERICANO

Scooter's World-Class Espresso added to hot water. Surprisingly smooth and satisfying.

CAFE AU LAIT

If you've been to New Orleans, you know how good a Café Au Lait is. It's equal parts Scooter's brewed coffee (we suggest a dark roast) and hot texturized milk.

ESPRESSO SHOT

The "good stuff," straight up, or with a little half and half. The world's best coffee beans blended and roasted to bring out a rich, smooth, flavorful coffee concentrate.

That's Scooter's World-Class Espresso!
